JA TRIVIA BOWL

Getting Started

JA's Rock 'N Bowl event, the largest peer-to-peer fundraiser, is pivoting to JA Trivia Bowl, a virtual platform for everyone to enjoy in the safety and comfort of their home or office!

HOW IT WORKS

- The company nominates a coordinator who will work with the JA Special Events team to set up event logistics such as, date, time, online platform, and communication
- JA Special Events staff handles all the event logistics and runs the virtual event day-of
 - JA will provide an event emcee and additional hosts to lead the game, encourage conversation and competition, while offering fun surprises and donation updates
 - This event can take place on a lunch, happy hour, or any one-hour time period
 - After registration, each participant will be emailed directions for starting the trivia game and live interaction platforms for Zoom and CrowdPurr
- Trivia Bowl Coordinator encourages participants to raise funds for Junior Achievement programs
- Company promotes the event via newsletters, social media, etc.
- Participants solicit donations from friends and family easily through email or social media using Qgiv
- Celebrate fundraising efforts at a fun online trivia event hosted by Junior Achievement
